Online Radroutenplaner

The screenshot displays the 'Fahrrad-Routenplaner' website interface. At the top, the browser address bar shows the URL <http://www.vmobil.at/index.php?menuid=173>. Below the browser, a navigation menu includes options like 'Aktuelles', 'VVV Bus & Bahn', 'Fahrrad', 'Zu Fuss', 'Mi(e)tfahren', 'Schiff', 'Mobil+', 'Gemeinden Mobil', 'Vorarlberg Mobil', and 'VAO Neu'. The main content area features a map of the Bregenz region with a blue route highlighted. A search box on the left contains the text 'Platz der Wiener Symphoniker' and 'Dornbirner Straße 1'. Below the search box, there are buttons for 'Gemütlich', 'Normal', and 'Schnell', and another set of buttons for 'Asphalt', 'Befestigt', and 'Alles'. A yellow 'Berechnen' button is located at the bottom of the search box. The map shows various streets and landmarks, including 'Bregenz', 'Lauterach', 'Mähdi', and 'Bildstein'. The taskbar at the bottom of the screen shows the Windows logo, several application icons, and the system clock displaying '00:46' and '03.06.2014'.
